STANDBY POWER SOLUTION

Wildcat Freedom 25kW NG-LPG AC Generator

Liquid-Cooled, Premium Enclosure, Single Phase, AC Generator

Key Features:

- Heavy duty generator system designed for prime power operation
- 3 year, 5,000 hour warranty
- 25KW Prime Power = **60% more power vs the 15kW Freedom**
- Redesigned, extreme duty, liquid-cooled
- 1800 RPM engine
- LPG/NG fueled
- Larger, all copper wound industrial alternator, 120/240 single phase
- High efficiency with digital automatic voltage regulation
- New advanced digital controls with simple 2-wire start integration
- Designed with commonly sourced parts for routine maintenance and repairs
- Premium enclosure design to improve service access and reduce noise levels while providing a high security envelope to protect your investment

Model	FE0251240NG-LPG
Engine Type	Liquid Cooled
Cylinders	3
Engine	Industrial Arrow Engine
Fuel Type	LP, NG
Bore & Stroke	4.1" x 4.7"
Displacement	3.1 Liter
Compression Ratio	9:1
VAC Output	240V/120V 1/0
Continuous Rating (kW)	25kW
Surge Rating (kW)	28kW
RPM	1800 RPM
